

Conducted Online Technical Talk on

“Aircraft IT-Maintenance operations”

Date: 03-09-2020

Coordinator: Mr. Rudresh N C

Asst. Professor, Dept. of CSE

Invitation of Technical Talk

Activity: Online Technical Talk on “Aircraft IT-Maintenance operations”

Resource person: Vishwanath L

Lead software Engineer and Technical product owner

Boeing india pvt ltd.

Bangalore

Coordinator: Rudresh N C

Asst. Professor, Dept of CSE, GMIT

Interaction between Resource person and the students

A Technical Talk will be conducted for 5th and 7th semester students of CS&E on the above mentioned date, which is on the topic of Aircraft IT and its maintenance operations i.e. with respect to how the software roles are taking place in the aircraft field and its security features and technical designing of aircraft theory, law of motion, etc. At the end of the session, a feedback form link will be shared for all participants; those who fill it and click on the submit button will automatically generate an "e-certificate" which will be dropped into their respective students' mail inboxes, as mentioned in the Google form. Sample E-certificate and certificate records photo copies are attached below.

Conducted one day Webinar on
“Future Driven Technologies”

Date: 20-8-2020

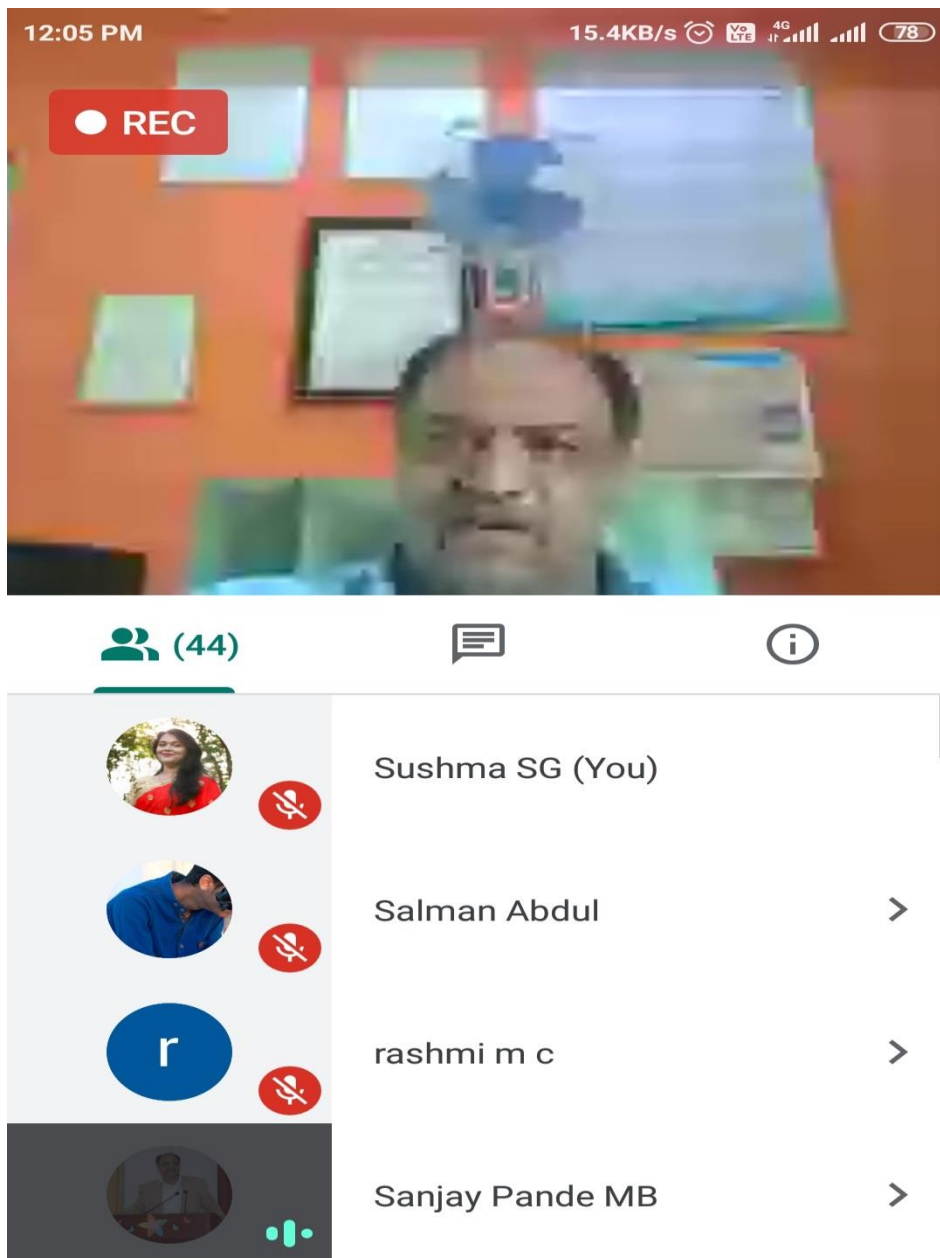

**Coordinators: Mrs. Sushma S G
Asst. Professor, Dept. of CSE**

The screenshot shows a Zoom meeting interface. At the top, the status bar displays the time as 12:02 PM, a download speed of 16.1KB/s, and battery level at 78%. A red 'REC' indicator is visible. The main content area shows a slide with the following text:

- Amazon Web Services (AWS) is a secure cloud services platform, offering compute power, database storage, content delivery and other functionality to help businesses scale and grow. Running web and application servers in the cloud to host dynamic websites

Below the slide, a footer bar contains contact information: 'Mob: 8105542291' and 'mail: info@igniteindia.com'. At the bottom, the Zoom meeting controls are visible, showing 45 participants and a list of names: Sushma SG (You), Salman Abdul, Salman Abdul, and rashmi m c.

The Resource person Salman Abdul interacted with the student and cleared their queries with respect to the program and he was motivated and shared the knowledge regarding current trends in the software fields and way of preparing for the interviews.

At the end of the session Dr. Sanjay Pande M B, Professor and Head Dept. of CSE, presents presidential remarks with respect to the program and motivated the students towards placement.

CERTIFICATE OF APPRECIATION

This certificate is proudly presented to **Anandachari M M** of **CSE** from **GM institute of technology** who has participated in e-workshop & training on **“Building ChatBot Applications”** organised by Department of Computer Science & Engineering, GMIT in association with **RAK Analytics Pvt. Ltd., Bangalore** on 26th, June 2020.

 Dr. Sanjay Pande M B
 Professor & Head , Dept. of CS&E

 Dr. Y Vijaya Kumar
 Principal

The report presents the overall activity taken-up under the webinar title “**Building Chatbot Applications**” the students of all the programs Namely (Computer Science, Electronics & Communication, Biotechnology, Mechanical Engg., Civil Engg., and Information science & Engg.) were informed to register for the webinar. The experts mainly presented the applications tool and also hands on experience for the students which were well received. The program provides the insight of how chatbot could be an additional helping to for communication and transfer of information.

The program was attended by the total 264 students. The inauguration was done by Address from Sri. G M Lingaraju, Chairman, GMIT and Dr. Y Vijayakumar Principal address students about importance of technology upgradation Dr. Sanjay Pande M B welcome all the members the experts of the program were Prof. Krishna & Prof. N Kannan, RAK Analytics Pvt. Ltd, Bengaluru and Technical operation taken by Mr. Maruthi S T and Mr. Niranjan Murthy C took the cooperation process and also concluding remarks. We are happy to inform we got a good positive reply for the program which has been enclosed.

Conducted Online Quiz-Game on

“General Aptitude”

Date: 02-06-2020

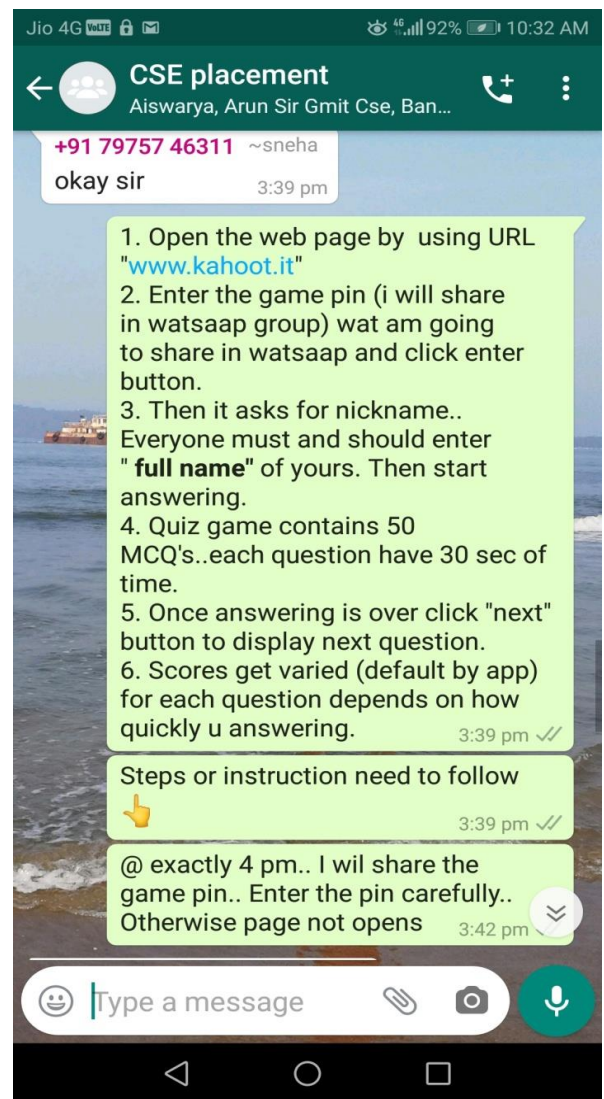

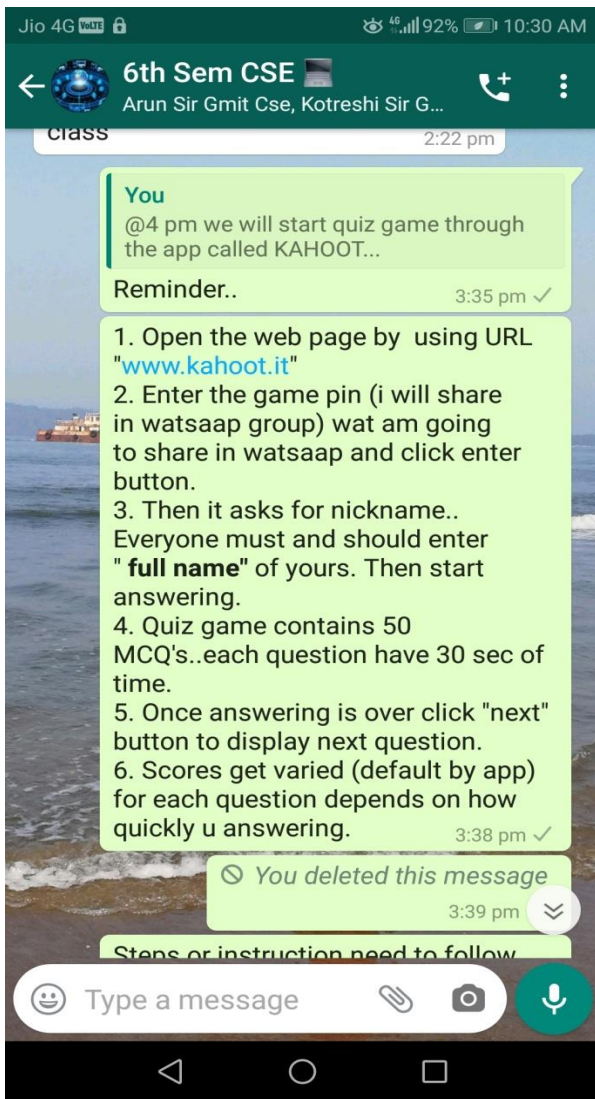

Coordinator: Mr. Rudresh N C

Asst. Professor, Dept. of CSE

The screenshot shows the Kahoot! app interface. At the top, there's a navigation bar with 'K! Premium', 'Home', 'Discover', 'Kahoots', and 'Reports'. A 'NEW! Unlock advanced admin tools and get 5 months free with Premium+ campus' banner is visible. The main content area displays the quiz details for 'General Aptitude', including '0 favorites', '12 plays', and '106 players'. There are 'Play' and 'Share' buttons. Below this, it shows 'Challenge in progress' with a 'Challenge finished' status and 'View results' link. The quiz questions are listed on the right, with the first question being 'Choose the invalid predefined macro as per ANSI C'. The interface also shows a 'Show answers' button and a '30 sec' timer for each question. The bottom of the screen shows a Windows taskbar with various application icons and the system clock showing 9:20 AM on 6/3/2020.

Kahoot! App Home page

Conducted online quiz-game competition for 6th and 8th semester students on 02-06-2020 at 4 pm. Almost 100 students were participated actively and finished up the game successfully. We developed this game by using the online application called Kahoot!, and it contains 50 MCQ's on C, java, HTML, data structures, Networking, OS. In the above screen shot showing Quiz name and total number of questions framed for the game.

Instructions or steps for the Quiz-Game

Before start up the quiz-game I announced the details and instructions need to follow for the activity at 3:30 pm. The above screenshot gives the information related to the announcement in class group for the students before conducting.

Report

“Project Work Video Conference Task”

As on 28-03-2020

Coordinator: Dr. Mouneshachari S
Assoc. Professor, Dept. of CSE

Due to the presence of COVID-19, the whole world, Governments, Institutions and Departments has lockdown. But to continue the learning activity the department has taken the initiative titled **“Video Conferencing for Final Project Work accomplishments”** under the guidance of Dr. Sanjay Pande M B, HoD, Department of Computer Science & Engineering, GMIT, Davangere. Here students were asked to discuss, plan and prepare draft project report through video conferencing by involving their project guide. As per the guidelines, project teams are actively participated and shown their interest by involvement. Following are the screenshots.
