

Library Advisory Committee

The function of the Library Advisory Committee is to support the functioning of the library so that it can facilitate the library development plans by advocating the library development activities with the management. This is to act as a channel of communication and dialogue between the Library System and its users. The Committee's main objective is to aid in the establishment of a bridge between the Library and the academic fraternity and the institute management. The Library Advisory Committee (LAC) is to be formulated by the Head of the Institution.
