DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Faculty Achievements:

Dr.Sanjay Pande M B, prof & Head, CS&E, has been Promoted as **Principal of GMIT, Davangere.**

Dr. Sanjay Pande M B, G M Institution of Technology, Davangere, participated successfully in Webinar on International Year of Millets & Coarse for wellness, organized by **UGC-HRDC**, JNVU, Jodhpur, on **30th December 2022.**

Asian Journal of Education and Social Studies 2023, Certificate of Excellence in Reviewing awarded to **Dr. Sanjay Pande M B** G M Institution of Technology, India in recognition of an outstanding contribution to the quality of the journal.

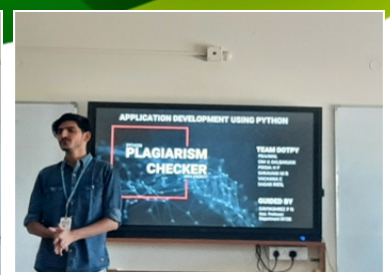

Asian Journal of Education and Social Studies 2023, Certificate of Excellence in Reviewing awarded to **Dr. Sanjay Pande M B** G M Institution of Technology, India in recognition of an outstanding contribution to the quality of the journal.

AICTE activities-Points earning program is conducted at Kunduru, Kulambi and Kattalagere villages on January 5th and 6th of 2023 by CSE 5th semester students. AICTE activities coordinator **Mr.Shankar Shastri** Asst. Prof., Dept. of CS&E guided on these days.

Mini Presentation On Python for 5th sem students held on 13th of January 2023 with the Guidance of **Ms. Chaithra K G** Asst. Prof., Dept. of CS&E.

Mini project presentation of Application development using Python for 5th sem students held on 12th of January 2023 with the Guidance of **Mrs. Kavyashree PN** Asst. Prof., Dept. of CS&E.

Open book test course activity on application development using python for 5th sem students held on 20th of January 2023 with the Guidance of **Ms. Chaithra K G** Asst. Prof., Dept. of CS&E.

Internal Audit Academic Year 2022-23(EVEN semester) was conducted under **Dr. B K Varun** Assistant Professor, Department of CIVIL on 23/01/2023.

Technical Talk on "Security Issues in Data Storage Using Cloud Computing" held on 28th January 2023 in the presence of President **Dr. Sanjay Pande M B** Principal, GMIT ,Davangere, **Mr. Santoshkumar M** Asst. Professor & Head ,Dept. of CS&E, Resource Person **Dr. Shivanna K** Associate Professor Dept of CS&E, Malnad College of Engg, Hassan and Coordinators **Mr. Aruna Kumar B T** Asst. professor, Dept. of CS&E, **Mr. Maruthi S T** Asst. Professor, Dept. of CS&E.

Mr. Shankarayya Shastri, Assistant Professor, Department of CSE has published research paper titled "Automated Analysis of Unstructured text using machine learning algorithms " in journal of Data Acquisition and processing, Dated 24-01-2023.

Technical Talk on "Entrepreneurship and Stat-up Opportunities" held on 16th January 2023 in the presence of President **Dr. Sanjay Pande M B** Principal, GMIT ,Davangere, **Mr. Santoshkumar M** Asst. Professor & Head ,Dept. of CS&E, Resource Person **Mr. Mashwarappa** Coordinator, Entrepreneurship Cell BIET, TEKSOK, DIC, RUDSET, Davangere and Coordinators **Mr. Aruna Kumar B T** Asst. professor, Dept. of CS&E, **Ms. Senha G N** Asst. Professor, Dept. of CS&E.

New Faculty Joined:

New faculty, **Mrs Nayana K**, has appointed as Assistant Professor, of CS&E Department and get reported on 2nd January 2023.

Mr. Santoshkumar M, Asst. Professor, Dept. of CS&E., has been Promoted as **Head of the Department of CS&E, of GMIT, Davangere.**

Research Title: "**Develop a Novel Framework in precision agriculture for Monitoring Arecanut using IOT**"
Niranjan Murthy C
USN:4GM18PCS01 research scholar Department of Computer science and Engineering under supervision of **Dr. Sanjay Pande M B** Professor and Principal GMIT Davanagere completed his **PhD viva-voce** on Dated: 25-01-2023.

DEPARTMENT OF ARTIFICIAL INTELLIGENCE & MACHINE LEARNING

PARENTS MEET

The department of AIML organised Parents teachers meeting on 21st January 2023 to have a better interaction with the parents about the academic progress of respective wards. One to One Interaction between Parents and Class Teachers. Discussion was focused on student's specific strengths and weakness in individual subjects, various activities performed at department, administration and academics activities at department and institute level.

Parents Feedback Hardcopy was taken for reference. Parents expressed their happiness for having their ward studying in our esteemed institute. They also expressed their gratitude regarding the care taken by the institute for the Growth of their wards.

5TH SEM STUDENTS SELECTED FOR BE HONOUERS

List of Students Selected for BE Honors 2022-23

Sl.No	USN	Student Name	1 st sem	2 nd sem	3 rd sem	4 th sem	CGPA
			SGPA	SGPA	SGPA	SGPA	
01	4GM20AI002	ABHISHEK T M	8.95	8.95	7.92	8.88	8.67

03	4GM20AI007	BHOOMIKA G P	8.60	9.00	8.79	8.92	8.83
04	4GM20AI012	DHANUSHREE B G	8.45	9.00	8.67	8.46	8.64
05	4GM20AI016	KRUTHIKA K R	8.45	9	8	8.71	8.54
06	4GM20AI024	MUKTHA C V	9.00	8.70	8.54	8.72	8.74
07	4GM20AI028	NIVEDITA J	8.45	8.95	8.25	9.08	8.68
08	4GM20AI034	PRATHIK M HADAGALI	8.80	8.90	8	8.5	8.55
09	4GM20AI038	ROHAN T	8.85	9.85	8.17	8.33	8.8

There are 48 students from 5th semester willing to do internship in Abroad.

CONDUCT FORUM ACTIVITY POSTER PRESENTATION FOR 3RD SEM STUDENTS ON 30TH JANUARY 2023 IN THE DEPARTMENT OF AIML

The Department had organized "Poster Presentation" forum activity, on 30th January 2023, which was a fun filled event. This event focused on active participation, joyful leaning by identifying the theme. The outcome from this event was student recognizing presentation skills, attentive, thinking and writing skill towards the poster. This exciting event carried out with 11 teams (44 students) who participated in the competition.

The coordinator of this event was Mr. Rangaswamy H Asst professor Dept of AI&ML. The judges were Mrs. KavyaShree B L, Mrs. Akshatha A M S and Ms. Mukta Pujar, faculties of AI&ML, were judging the students by assigning points to each team and the team who scored highest points were announced as the winners.

DEPARTMENT OF BASIC SCIENCE

1. Fresher's day celebration for Ist year BE students

Fresher's Day was conducted for First Year B.E students on 18th December 2022 which was a memorable day in the life of every fresher of academic year 2022-2023 batch at G M Institute of Technology, Davangere.

The inauguration of program started by watering the plant along with the bless of goddess Saraswati by our dignitaries, the chief guest **Dr. Basavarajappa S**, Register, Indian Institute of Technology, Dharwad, the President of the event **Sri. G. M. Lingaraju**, Chairman, GMIT, **Sri. Y. U. Subhashchandra**, Management representative, **Dr. Y. Vijaykumar**, Principal, GMIT and all Department Heads of various branches who graced the occasion with their valuable presence.

Dr. Sunilkumar B. S Dean Academics Head Dept of ISE, welcomed all the students and their parents and gave a brief overview of the institution. **Dr. Praveenkumar J.** Head, Dept of ECE delivered vote of thanks. **Mrs. Kavyashree P. N** and **Mr. Deepu B. P** Asst Prof, Dept of CSE has done the Master of Ceremony for the event. This program was successfully

conducted and well organized with the support of all faculty members of GMIT College.

Fresher's Day Celebration: 2022-23

2. Student's Induction Program for Ist Year BE students

Student's Induction Program was conducted for First Year B.E students from 1st to 12th December 2022 organized by Basic Science Department. The program began with registration on 1st December 2022. Student's Induction Program aimed to enhance student's familiarity with the faculties, GMIT campus, its facilities and a plethora of cultural activities of the institution and also to give the bird eye view about various dimensions of engineering and the career opportunities for the students and to acquaint them with the systems and procedures of the college.

In this program several talks were delivered by Principal, HOD's of various departments, and resource persons from different institutions. These talks were included University Human Values, Proficiency Models, Motivational talks etc., Along with the pep-talks the students were exposed to villages and historical places visit for catering their social as well as technical side of Learning.

Dr. Y. Vijays Kumar, Principal inaugurated the program and enlightened the students. **Dr. Onkarappa H.S.** Asst Prof and Head Dept of Chemistry welcomed all the students and their parents. **Dr. Omkarappa K.S.**, HOD, Basic Science explained the significance of Orientation Program. **Dr. Sunilkumar B.S.** Dean Academics in his address appreciated the efforts and gestures of (IIP cell) Basic Science Department in conducting such informative and educative program. **Dr. Y. Vijaykumar**, Principal, gave the presidential remarks and valuable guidelines by assuring the parents about secure future of the students. **Dr. G.H. Pujar** Asst Prof and Head, Dept of Physics delivered vote of thanks. **Mrs. Shobha R.P** Asst Prof, Dept of English, has done the Master of Ceremony for the event. This program was successfully conducted and we'll organized with the support of all faculty of Basic Science Department. One day outing for Kondajji village, cultural and sports events are conducted by the part of orientation program on various days.

Inauguration followed by sessions

Interactive Sessions

Sports Activities

Cultural events

Outing: Kondajji village

3. DST-STUTI Participation

Dr. Swaroop K, Assistant Professor, Dept. of Physics has participated as a Resource Person at DST-STUTI Training Programme organized by DST-PURSE, Mangalore University, Mangalore in collaboration with Shivaji University, Kolhapur, Maharashtra held on 14.11.2022 to 20.11.2022. He delivered Special lecture on "Gamma Radiation Assisted Synthesis of Hydrogels Nano-composites and its applications"

4. National level Seminar Participation

Dr. Pavithra K S, Asst Professor, Dept of Chemistry has actively participated in 3 days online national level seminar on "effective implementation of NEP multidisciplinary education and strategies" sponsored by National Assessment and Accreditation Council (NAAC) organized by Sri Sairam College of Engineering, Bangalore, from 10– 12th

5. FDP and workshop Participation

Ms. Mamatha S R (Asst. Professor, Dept. of Mathematics) attended Two days FDP on "OBJECT ORIENTED PROGRAMMING WITH JAVA LABORATORY-21CSL35" from 23rd - 24th November 2022

Ms. Mamatha S R (Asst. Professor, Dept. of Mathematics) attended 3 days' Workshop for VTU affiliated College Faculty (Mysore, Belagavi and Kalburgi Region) On "MATHEMATICS USING PYTHON" Organized by Vidyavardhaka College of Engineering, Mysuru and VTU, Belagavi from 8th - 10th Dec. 2022.

6. Resource Person for the PG CET-2022 crash course

Mrs. Soumya Chalakatti, Assistant Professor and Head, Dept. of English invited as a Resource Person for the "PGCET-2022 crash course for MBA aspirants" from 7th - 10th November 2022 organized by Department of MBA, GM Institute of Technology, Davangere. Delivered a talk on "Essence of English grammar in Competitive exams".

7. New Faculty

The following faculty have been appointed as Assistant Professor in the month of December 2022;

Ms. Mamatha S R (Asst. Professor, Dept. of Mathematics) has attended the webinar on "Application of Graph Theory and machine Learning in Self-Replication models" organized by Department of Mathematics, School of Engineering, Presidency University, bangaluru-560 064 on 22 December 2022

Webinar Participation on Nanomaterials for Novel Applications

Dr. Vinay Parol (Assistant Professor, Dept. of physics) has been attended webinar on Nanomaterials for Novel Applications, organized by the Department of Physics, Ramco Institute of Technology, Rajapalayam on 13.01.2023.

Faculty training program on Environment Education

Dr. Vinay Parol (Asst. Prof, Dept. of Physics) and Dr. Shanmukha B (Asst. Professor, Dept of Mathematics) have participated in the Training of Faculties on Climate and Environmental Education organized by the Centre for Environment Education in collaboration with the Government of Karnataka with the support of UNICEF, held in Bangalore from 6th to 7th January 2023.

DEPARTMENT OF BIOTECHNOLOGY

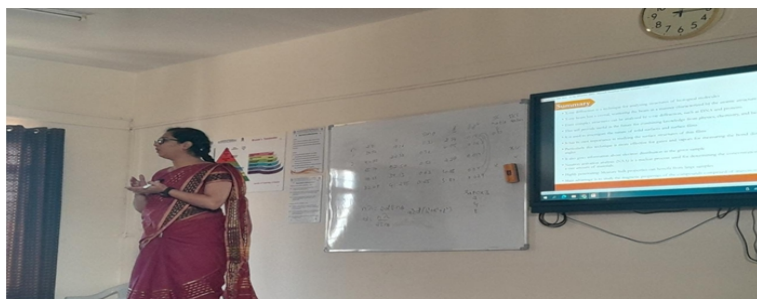

INDUSTRIAL TRIP:

Students of 3rd semester were taken for an industrial visit to **GEM Food Park, Belludi** on **25th January, 2023**. They were accompanied by faculties Dr. Pradeep MJ and Miss. Sushma B S

TECHNICAL TALK:

A technical talk “**Applications of Spectroscopic Techniques in Biotechnology**” for 5th semester students was arranged in the Department of Biotechnology on **17th January, 2023** under the guidance of the resource person **Dr. Soumya S Bulla**, Assistant Professor, Department of Studies in Physics, Davanagere University. Course co-ordinators **Dr. Pradeep M J** and **Mrs. Keerthi S**, Assistant Professors were present on the occasion.

FACULTY ACHIEVEMENTS:

Dr. Prakash K K, Professor and Head and Dr. Pavan K J, Assistant Professor attended **KLE Society's PC Jabin Science College, Huballi** for **BOE meeting for Question paper setting** for **B. Sc IIIrd Semester**

DEPARTMENT OF CIVIL ENGINEERING

Dr. Hanumesh B M, Assistant Professor, Department of Civil Engineering has participated in one week Faculty development programme on “Emerging Trends and Prospects in Geotechnical Engineering” from 19-12-2022 to 24-12-2022 at S G Balekundri Institute of Technology, Belagavi.

Mr. Kiran Kumar C M, Assistant Professor, Department of Civil Engineering has participated in one week Faculty development programme on “Emerging Trends and Prospects in Geotechnical Engineering” from 19-12-2022 to 24-12-2022 at S G Balekundri Institute of Technology, Belagavi.

Department of Civil Engineering has organized technical visit to Sewage Treatment Plant at Kalapnahalli for 5th semester students on 19-01-2023, accompanied by Associate Professor Dr. Kiran Kumar H S and Assistant professor Mrs. Spoorthi B.

Dr. Harish B A, Assistant Professor, Department of Civil Engineering has participated in 5 days International Workshop on Construction Materials from 13-12-2022 to 17-12-2022.

Dr. Harish B A, Assistant Professor, Department of Civil Engineering has presented a paper entitled “Mechanical properties of partially and fully recycled coarse aggregate concrete incorporating steel and glass fibre” in the Second International Conference on Construction Materials and Structures (ICCMS-2022) during 13-19 December 2022.

Dr. Hanumesh B M, Assistant Professor, Department of Civil Engineering has presented a paper entitled “Mechanical properties of partially and fully recycled coarse aggregate concrete incorporating steel and glass fibre” in the Second International Conference on Construction Materials and Structures (ICCMS-2022) during 13-19 December 2022.

Dr. Hanumesh B M, Assistant Professor, Department of Civil Engineering has presented a paper entitled “Assessment of mechanical properties of recycled coarse aggregate concrete incorporating basalt and polypropylene fiber” in the Second International Conference on Construction Materials and Structures (ICCMS-2022) during 13-19 December 2022.

Dr. Harish B A, Assistant Professor, Department of Civil Engineering has presented a paper entitled “Assessment of mechanical properties of recycled coarse aggregate concrete incorporating basalt and polypropylene fiber” in the Second International Conference on Construction Materials and Structures (ICCMS-2022) during 13-19 December 2022.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS AND ENGINEERING

COVID-19 Vaccination Booster Dose Camp

Dr. Onkarappa H S, NSS Officer, Mr. Manjunatha Y, Assistant Professor, Forum coordinator Dept. of EEE and NSS Volunteers for helping the staffs to get vaccinated in their busy schedule. Also, we are happy to be part of this camp, for helping the people who care for us. We are thanked to be a part of this camp

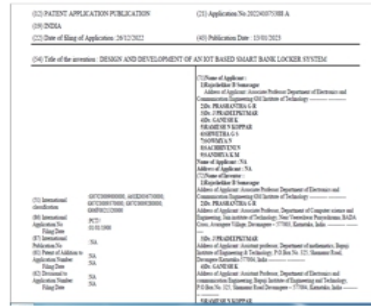

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Content 1: Patent Publication

Dr. Rajashekhar Somasagar, Associate Professor, ECE Department, GMIT has filed and published a patent entitled “Design And Development Of An Iot Based Smart Bank Locker System” on 13th January 2023.

Details:

Application No.202241075388 A; Date of filing of Application:26/12/2022;Publication Date : 13/01/2023.

Content 2: Research & Development

The ECE department has organized a session on the importance of research, paper publications, patents, etc. on 5th January 2023 at 3:30 PM. Dr. Bharath K N, Dean R&D, GMIT, Davangere motivated all faculties of the department about research and its importance in the academic field.

Content 3: Placement Training

The ECE Department has organized 3 days placement training in association with GTTC, Pune for Pre-final year students from 12th to 14th January 2023. A total of 120 students attended the training program and benefited. The training was inaugurated on 12th January 2023 at 9:00AM. The Resource persons Mr. Koushik and Mr. Karthik K N Global Talent Track (GTT) Pune.

Dr. Sanjay Pande M B, Principal GMIT, Prof. Tejasvi Kattimani T R, Training and Placement Head, Dr. Praveen J, HOD, ECE, the event coordinator Mr. Sampath Kumar B, faculties and all the 5th Semester students were present in the function. The training covered Soft skills, Aptitude and Logical reasoning for the beneficial of students during placement drives.

Content 4: Three Days Student Development Program on Python and GUI

The Department of Electronics and Communication Engineering in organised 3-day Student Development Program on “Python and GUI” in association with Karunadu Technologies Private Limited, Bengaluru for 3rd semester students from 19th to 21st January 2023.

On 19/01/23, the workshop was inaugurated by watering the plant from Resource Person Mr. Mahesh Deginal Managing Director, Karunadu Technologies Private Limited, Bengaluru, Principal Dr. Sanjay Pande M B, GMIT, Dr. Praveen J, Director IQAC, Professor and Head E&CE Department GMIT, Mrs. Manjula B K and Mrs. Akshata Chavan coordinators and everyone addressed the students. A total of 61 students participated in the workshop. The inaugural function is followed by the hands-on sessions on Python and GUI. On 21/01/2023 the workshop was concluded with a valedictory function. During the function Dr. Praveen J Professor and Head ECE Department, GMIT., addressed the gathering. Students improved their programming skills.

Content 5: Activity on Social Connect and Responsibilities

The Department of Electronics and Communication Engineering, GM Institute of Technology, Davangere organized a Technical talk on “Social Connect and Responsibilities” by the resource person Mr. Basavanagowda M G, Senior Scientist (Horticulture), ICAR- Taralabalu Krishi Vigyan Kendra, Kadalivana, Davangere-577004, on 24th January 2023 at 10.00 am in Civil Seminar Hall.

Dr. Sanjay Pande M B, Principal was presided over the function. Dr.Praveen J, Professor & Head, ECE department, Prof. Suprih P G and Prof. Deepika V B, Coordinators of the event were also present.

The faculty members of ECE and the 3rd semester students of ECE were present in the seminar and Dr. Praveen J, Convener & Head, ECE department addressed the students about the importance of the seminar topic and Course Objectives of the course Social connect and Responsibilities. The 3rd semester students Preethi G V and Chandrashekhar J S carried out the Program and Deepika M G welcomed the gathering and Hemanth Kumar D introduced the chief guest Mr. Basavanagowda M G, Senior Scientist (Horticulture), ICAR- Taralabalu Krishi Vigyan Kendra, Kadalivana, Davangere to the audience.

The key note speaker of the seminar Mr. Basavanagowda M G, started the presentation by giving introduction about the Organic Farming. He also gave awareness and importance of the Organic Farming in the agriculture, explained about the Green Revolution, Strategies adopted for Green Revolution, Impact of Green Revolution and its wide area of applications in agriculture field.

Content 6: Internal Audit

The Internal audit was conducted on 24th January 2023. Dr. Sanjay Pande M B, Principal & Professor, GMIT and Prof. Santhosh Kumar M, Assistant Professor, CSE department audited the course files of ECE department for the academic year 2021-22.

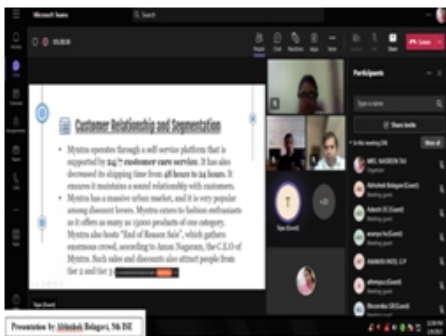

INFORMATION SCIENCE AND ENGINEERING DEPARTMENT

1. Workshop

The department has organised and conducted a three day workshop on “*Application and Utilization of Data Base for Real-Time Scenarios Using PHP and MYSQL*” in collaboration with Sumukha Technologies from 5th to 7th January 2023. **Mr. Karibasavraj**, Director , Sumukha Technologies, Davangere was the resource person and coordinated by Prof. Amith Shekhar C, Assistant Professor.

2. Technical Talk

The department has organised a training program on “Business Model Design” in collaboration with GullyGroup Companies, Bengaluru. on 9th January 2023. The resource person was **Mr. Ganesh H S, Serial Entrepreneur**, Founder and CEO GullyGroup Companies, Bengaluru and coordinated by Mrs. Nasreen Taj, Assistant Professor.

3. Pre-placement Activity

A “**Pre Placement Training**” for 5th semester students on 18th of January 2023 has been conducted Mr. Sharath from CopperAge, Davangere has trained the students and coordinated by Mrs. Nasreen Taj, Assistant Professor.

4. Forum Activity

The ISE department Forum “EXOTIC” conducted a talk on “Need of Competitive exams” for 3rd and 5th Semester students on 19-01-2023 by **Mr. Sharath** CopperAge, Davangere. The activity is coordinated by forum coordinator Mr. Imran Khan.

The ISE department Forum “EXOTIC” conducted a College level Girls cricket tournament namely “EXOTIC CUP” on 07/01/2023. The tournament was conducted for the students of GM group of institutes and is coordinated by forum coordinator Mr. Imran Khan. The department congratulate the winning team- Degree College for their achievement.

LIBRARY

Mr. Shashikumar R, Chief Librarian, GM Central Library, GM Institute of Technology, Davangere Participated in DELNET Webinar "Enabling Innovation in 21st Century Institutions: The Tech Stack Strategies for Libraries" by Dr M G Sreekumar through online on 24th, January 2023. The Webinar was organized by DELNET - Developing Library Network.

DEPARTMENT OF STUDIES IN MANAGEMENT

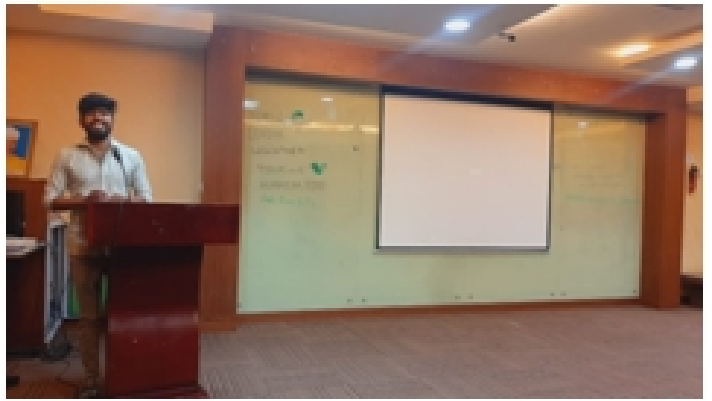

Placement Coordinator Prof. Vinay I, Assistant Professor of MBA Department organized the Three days Placement Training Programme with the support of MBA Department Faculties for 3rd sem Students - 2021-2023 batch in coordination with GMIT college Placement department.

Resource persons from Global Talent Track, Bangalore Trained our students on Aptitude Skills.

Dr. Prashantha Kumar O Invited as Resource Person to Deliver NEP Practical Components from BSC First Grade College by Principzl Prof. Guru.

Dr. Jagadeswari K conducted as a part of forum activity on 4-01-2023 - Team Building and Quiz on Finance for 3rd sem Students.

1) students divided in to 9 teams and as a team building activity asked them to frame team name, logo, punch line team captain and vice-captain the same presented in the form of ppt before judges so that can identify their team behaviour skills and presentation skills.

2) As a part of finance quiz student forum coordinators Mr.Chetan and Ms.Anushree conducted Finance quiz to the teams by using PPT slides.

Prof Sandhya P Zingade From MBA Department attended webinar on Free Human Resource Skills organized by Tareeqa Global solution Pvt. Ltd.

Conducted ICICI Campus Drive for 3rd sem 2021-23 Batch MBA Students on 23-01-2023 from Placement Department of GMIT College. In this drive Total 35 Students were Placed.

Department of Studies in Management , GMIT, Davanagere organized Guest lecture on “**Methods to access capital line database**” for MBA II year students. On this event MBA department invited Mr.Guru murthy as a resource person from capital markets pvt Ltd.

DEPARTMENT OF MECHANICAL ENGINEERING

Mr. Pavan Kumar bearing USN: 4GM16PMJ04, successfully completed his PhD Viva voce on 13.01.2023 on the thesis titled “Free Vibration Studies on Flat Sandwich Skew Plates” to Visvesvaraya Technological University, Belagavi under the guidance of Dr. Srinivasa C V, Professor & Head, Department of Mechanical Engineering.

Mr. Harsha H M bearing USN: 4UB13PMN04, successfully submitted his PhD thesis titled “Experimental investigation on fracture behaviour of epoxy based natural fiber composites” on 29th December 2022, to Visvesvaraya Technological University, Belagavi under the guidance of Dr. K G Satish, Assistant Professor, Department of Studies in Mechanical Engineering, UBDTCE, Davangere-4.

Mr. Basavarajappa S bearing USN: 4BD16PMJ01, successfully submitted his PhD thesis titled “Experimental investigation and heat transfer process in concentric tubes fitted with extended surfaces” on 28th December 2022, to Visvesvaraya Technological University, Belagavi under the guidance of Dr. G Manavendra, Professor and Head, Department of Mechanical Engineering, BIET, Davangere-4, and co-guidance of Dr. S B Prakash, Professor, Department of Studies in Mechanical Engineering, UBDTCE, Davangere-4.
